Other useful information continued

Luggage

Work-related bags/items will be subject to search by the Sellafield Pass Office personnel. Searches are carried out in the presence of the visitor and the escort on each occasion prior to entry to site.

Please note that personal luggage will not be allowed onto site. For information on what to do with with overnight bags and other personal luggage, please contact the visits team using the details on the previous page.

Restricted Items

Cameras and recording equipment

Cameras and recording equipment are, under certain circumstances, allowed onto the site but appropriate authorisation and permits must be in place prior to the visit taking place. Contact the visits team for further information.

Laptops

Laptops are allowed onto site for work purposes only but are subject to security checks. During the security search the laptop must be switched on to allow the security inspector to carry out the required checks.

Mobile phones and smartphones

These are allowed onto site but the the camera function must not be used without a permit.

Arriving on site

Once on site, all visitors must be escorted at all times. Your escort will provide you with relevant safety and security information.

Your escort will be able to answer any questions that you have regarding your visit.

They are responsible for ensuring your safety and security during your visit.

If you have any questions prior to your visit, please contact our visits team on +44 (0)1946 779 000/001 or by emailing nnl.visits@nnl.co.uk

Central Laboratory/Windscale Laboratory, Sellafield, Seascale, Cumbria, CA20 1PG

By Road

When driving north along the M6, leave the motorway at J36 or J40. These are both approximately 60 miles from Sellafield. Please note the route from J36 is less direct and can be congested, particularly in the Summer months.

From J36, take the A590 towards Barrow-in-Furness (following the purple arrows on both maps), continue along the A590 as far as Greenodd, then turn right onto the A509. Follow the A5092 as far as Grizebeck, then take the A595 for Workington and follow this road to Calder Bridge. For the North Gate and Training Centres turn left at Calder Bridge.

From J40, take the A66 for Keswick, following the orange arrows on both maps.

1. Continue along the A66 as far as the roundabout sign posted A595, turn left towards Whitehaven and then follow the signs towards Barrow-in-Furness which eventually lead to the signs for Sellafield. For the Sellafield Visitors Centre and the Main Gate, turn right at the roundabout sign posted for Sellafield. For the North Gate and Training Centres, go straight ahead at the roundabout, continue along the A595 to Calder Bridge and turn right.

When travelling south along the M6, leave the motorway at J46 (following the red then orange arrows on both maps) next take the A69 for Carlisle and at Carlisle join the A595 towards Cockermouth. At Cockermouth, turn right onto the A66, (see paragraph marked 1.)

By Rail

If travelling by rail on the Barrow/Carlisle line, leave the train at the Sellafield rail station. Trains stop at this station on request only, passengers wishing to disembark from the train must inform the guard when they embark. On leaving the station, turn left and go up the hill to reach the Main Gate. The station is approximately 10 minutes from the Main Gate.
